Full Day and Half Day Option Available

For youth ages 6-13 years entering grades 1-7/For youth age 3-5 years

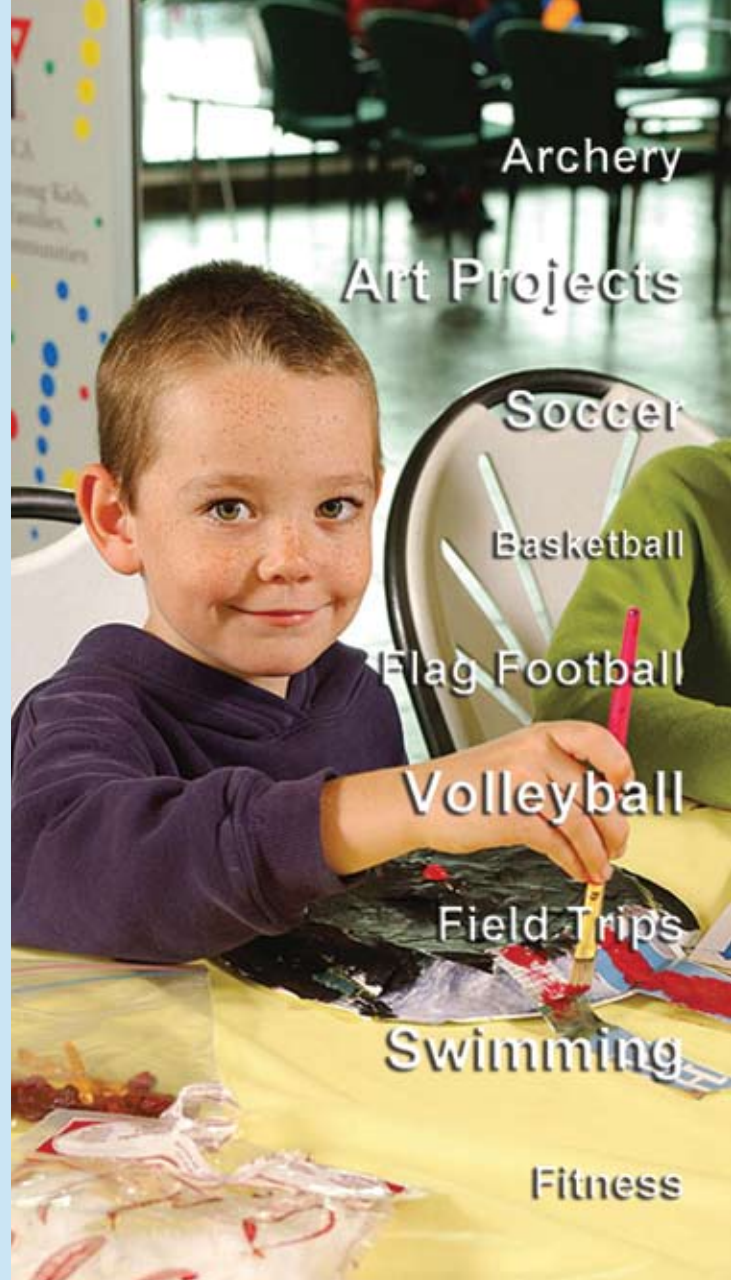

## **Give your child a summer of fun and excitement at Adventure Club.**

Welcome to a summer of fun at the YMCA of Rock River Valley! I am very excited to be part of a program that offers activities for youth 3-13 years of age. Camp Iddy Biddy, located at our Northeast Branch, is for those youth ages 3-5; and Adventure Club, located at both the IDP and Northeast Branches, is for youth ages 6-13 and entering grades 1-7. This year we are adding something new to our Adventure Club options at the IDP Branch. During the weeks of summer school, we will be offering a half-day option starting at noon. This option will be available on days that summer school is in session.

As always, staff will continue to provide the assets necessary for children to grow into productive adults. While focusing on our core values of caring, honesty, responsibility, and respect we will provide a safe, fun-filled atmosphere for your child to spend their summer days. Our staff are committed to developing the positive self-esteem of each participant.

We look forward to serving you and your child this summer as we continue to build strong kids, strong families, and a strong community. Welcome to our YMCA family!
